## Meeting Point Bike Tours Malaga

The Meeting Point is in our shop, 10 minutes before the tour starts.

We are located in the **Calle Vendeja 6**. Probably it is easier for you to find the Tourist Office on *Plaza de la Marina* first and then our shop – we are just a few meters from there. When you are on *Plaza de la Marina* and facing the sea, just take a right turn behind the Tourist Office and walk through the small park – we are on the right side of this park.
